| | COMPTHE 2 | 50X1 |
| | double file, and five units, each of 5 officers and 55 to 60 men marching three abreast. All troops were armed with carbines or submachine guns and carried entrenching tools, gas masks, and steel helmets suspended from their belts. The soldiers who brought up the rear of each unit had four light machine guns and two light mortars. All of the troops were black-bordered red epaulets. The column was followed at 8:30 a.m. by a group of 3 officers and 30 EM All the troops returned at about 8 p.m. On the same day from 30 to 50X1-40 trucks were being cleaned in front of the garages of the Tauentzien Kaserne. Trucks observed entering the installation | HUM |
| 6. | Gate guards at the Albrecht der Baer Kaserne wore tank insignia. Two T-34/85 tanks moved toward the installation on 29 March. Trucks observed in traffic at the installation 50X1- | ·HUM |
| 7. | The Soviet headquarters in the restricted area on Hardenbergstrasse, 50X1 which borders on the Albrecht der Baer Kaserne to the east, was guarded by sentries who were red-bordered black epaulets. | 1-HUM |

Comment. The information indicates no changes at the military 50X1-HUM post of Stendal over a report of 23 March 1951.
